Council Reports

- **Roads** – Jay reported that Morgan Paving did a great job on filling the potholes. Mayor Howlett suggested that we crack seal the roads in the spring.
- **Water** – Mayor Howlett reported on the progress of the water tank. He also told the Council that Jon White's spring did not pass the sanitary survey requirements. Everything else passed the inspection.
- **Community**- Nothing to report at this time.
- **Grants/Fire/Budget** – Blake asked if the gravel pit will be ready by November 22th for the trap shoot. Mayor Howlett thought it would be ready by then. Blake also reported that the truck was back from Washington.

Unfinished Business

Mayor Howlett explained to the council that the cell tower company wants to renegotiate our contract with them. Mayor Howlett looked over the proposed contract and came to the conclusion that there is no benefit to the town to accept their contract. They are telling us that if we don't sign the contract they may pull the cell tower. Mayor Howlett will speak to the cell company representative tomorrow.

A motion was made by Jay to adjourn. Seconded by Margaret. All in favor. Meeting closes at 8:00 pm.

Leland Howlett, Mayor
