New Business

Kyle introduced the Trout & Berry Day history. This document is a history of our town celebration. This will be a record of how things are done. It is quite a comprehensive history that should be of help to the future committees. This history is an assurance that the traditions are carried out throughout the upcoming years. The Trout & Berry committee would like a copy to be kept at the town office.

A motion was made by Jay to adjourn. Seconded by Dale. All in favor. Meeting closes at 8:04 pm.
