Discussion on Oil Road to Cemetery and Cemetery Water Shares

Gary Bowen was wondering what the status for oiling the road up to the cemetery was. Mayor Howlett said that bids should be collected to see if there would be enough money in the budget to pave that road. Gary said he would talk to the Cemetery Board and then talk to contractors for bids on the project.

Cemetery Board has a chance to buy two shares of water and rent thirty shares of water. They are planning on renting all thirty two water shares, and purchasing those two shares at a later date.
