

**Paradise Town**  
**Office of the Mayor**  
[www.paradise.utah.gov](http://www.paradise.utah.gov)

**March 2014**

**YOUTH BASEBALL SIGNUPS** – The signups for the 2014 youth baseball will be held at the Town Hall on Saturday March 22<sup>nd</sup> and March 29<sup>th</sup> between 10AM and 2PM. If your family is interested in baseball and you cannot be there during those times, please contact Bruce Smith so you don't miss the 2014 season.

**DOG LICENSES** – With the cold rain we had during the March 1<sup>st</sup> Dog Clinic, we missed seeing many of you that have registered dogs in the past. Please get with Alyssa at the Office to get your tags. You must bring evidence of rabies shots within 3 years unless we already have your dog on file from a previous year.

Anyone with more than 3 dogs over the age of 4 months must also have a current Kennel License.

Fees for dog and kennel licenses double after March 1<sup>st</sup> each year, but since we had our Clinic so late, we will waive that penalty until April 1<sup>st</sup> to get as many registered as possible in next couple weeks.

Letters will be going out to those that have previous registrations that did not re-register and we will be working with the Cache County Animal Control folks to get those that obviously have dogs that are not registered into compliance with the ordinances.

**YARD CLEANUP** – Now it is spring, we can all see the things that have somehow accumulated in our yards during the winter. Everyone needs to do their part to keep things looking nice in our community. For things that are too large for the weekly pickup in the black cans, I would like to suggest that you get them hauled to the Logan Landfill or work with them to bring out a temporary dumpster. The large truck roll-offs are about \$125 plus the charge per ton for the debris. They also have smaller dumpsters like the sizes at the churches or by the Town Hall that are \$10 a week plus about \$20 each time they are emptied. More information is available at: [www.loganutah.org/environmental](http://www.loganutah.org/environmental)

We will be having a roll-off dumpster by the park on 90<sup>th</sup> South the last week or two of April, but we encourage people with real messes to get going on it earlier and make other arrangements for waste disposal.

**GREENWASTE BIN** – The greenwaste roll-off will be showing up later in March. If it is not there or is full, please don't dump branches around it as we have to pay to have that cleaned up each time. We will be keeping an eye on it and notifying Logan if it is full and needs to be dumped so that hopefully it can be a more convenient service for all of us. Also remember that they don't want any root balls, wood fence posts, construction debris, pallets, furniture, leaf bags or other garbage in the greenwaste dumpster.

**TOWN BEAUTIFICATION** – We want to thank Mr. & Mrs. Kevin Smith for maintaining the "Welcome to Paradise" sign area and for periodically updating it with things that match the seasons. This is another example of individuals stepping up and volunteering to make Paradise a better place to live. If you see other areas where you would like to help out with cleaning up or beautifying things in our parks or along the road right-of-ways....please do not hesitate to get with any member of the Town Council and we will see how we can help you help our community look better.

**BACK TO DOGS** – The weather is nice and we want people to feel safe walking and biking in their neighborhoods and unfortunately, there are some streets that we avoid because of dogs running loose. If you have a dog – keep it in your yard. If you are out walking – keep your dog on a leash unless it is trained well enough to stay at your side when called.

If you are out and about and see dogs running loose, contact Animal Control at 716-9400 and hopefully if we get enough loose dogs picked up, we can resolve this issue and make our community more enjoyable to live in and recreate in.

**CONTACTING US** – The Office Hours will remain 9-12 on Monday thru Thursday. If it is not convenient to stop in, you can e-mail Alyssa at [clerk@paradise.utah.gov](mailto:clerk@paradise.utah.gov) or leave a message on the voicemail at 435-245-6737.

For emergencies, please call me on my cell phone at 435-720-3893 and leave a message and I will listen to it and respond as soon as I can.

Feel free to call or e-mail me with any concerns, comments, or questions regarding the above notes or other Town issues.

Leland Howlett – Mayor
