

Paradise Town Newsletter April 2017

Spring Clean-up

DUMPSTER: The Dumpster will be at the Town Square starting Thursday April 20, 2017 for approximately 2 weeks. Please remember there is **no dumping** tires or refrigerators in the dumpster and if it is overfilled we get charged a fee. If the dumpster is full, please don't put anything else in it, or on the ground surrounding it, until it is emptied again. Thank you for being patient as we all utilize the dumpster.

RIGHT-OF-WAYS: We are asking everyone to do a little "spring cleaning" and make sure everything is cleared off of the Town right-of-ways. The Town will need to mow soon and we need to have everything off of that area. Please move vehicles that are parked there now to the pasture area/behind the home, and remove anything else that should not be there. We appreciate your help keeping Paradise a beautiful Town!

Annual Easter-Egg Hunt

The annual Easter-Egg hunt will be Saturday April 15, 2017 with the bake sale beginning at 9:30 a.m. at the Town Square.

Shooting at the Gravel Pits

There are some homes being built to the north of the gravel pits and there is concern about shooting towards those homes. As the Council has discussed the matter, they feel that the gravel pits can stay open to shooting if people will a) Shoot EAST and b) obtain a trespass permit before shooting at the gravel pits. A trespass permit can be obtained from Alyssa in the Office or from a Council Member.

South Towns Talent Show

April 22, 2017 will be the South Towns Talent Show at Ridgeline High at 7:00 p.m. All the southern Towns and Cities of Cache Valley will be involved in the talent show. More info is available at Nibley City.com.

Fire Department Message

Spring Open Burning Season

The Department Air Quality rules governing open burning can be found in the Utah Administrative Code (UAC) R307-202. This rule allows open burning of clippings, bushes, plants, and pruning's from trees incident to property and residential clean-up activities, provided that the following conditions have been met:

1. The clearing index is 500 or greater. The clearing index is a measure of the atmospheric mixing and wind speed. A clearing index of 500 or less is considered poor atmospheric ventilation.
2. An open burn permit application must be submitted to <http://air.utah.gov/OpenBurning/form/index.php>
3. Permits may be issued between March 30 and May 30 and between September 15 and October 30 in all other areas of the state.

4. Materials to be burned are thoroughly dry and no trash, rubbish, tires, or oil are included in the material to be burned, used to start fires, or used to keep fires burning.

Safety

1. Fires Must Be Attended Until Extinguished
2. Have Fire Control Tools Handy
3. Watch the Wind and Be Prepared to Extinguish All Open Burning
4. Call 911 For Help Immediately

Cemetery Info

We need your help! Spring has sprung and the growing season has started. In order to maintain a beautiful cemetery we need help in the following areas as we mow and water the grass.

1. Decorations left on the grave sites need removed
2. Items such as stuffed animals left on the grave site need to be placed on the cement base
3. Rearrange shepherd's hooks so we can mow and water the grass in a timely manner
4. Remove the fresh flowers within seven (7) days

All help will be appreciated! We ask you to care for the cemetery in the same manner you would your own lawns.
